JUDGES.

In London town, seeking fresh re-The Herald's big automobile and from every viewpoint. The circula-prize contest closed Saturday night at tion of the Herald has been increased n o'clock. The issue of the eight by hig figures. Valuable awards Department of the Interior, U. week's struggle between more than were presented to the winners and Land Office at Santa Fe, N. one hundred candidates is abnounced but the least unpleasant feeling was April 28, 1915. Sent C. O. D. from sear iomewhat worried; bet pa'll be flurried;

For eight weeks the race between The Herald wishes to express its Notice is hereby given that Joseph the competitors has been waged with thanks to each candidate and to N. Gagner, of Albuquerque, N. M. keen interest and good natured covery friend who in any way assisted who, on March 5, 1908, made Homerwalry. Every possible inducement of contributed to the magnificent finstead aplication, No. 95311-13494, for make the highest possible scores. From the beginning it has been a them may not only prove a pleasure, filed notice of intention to make five-battle in the open. No favoritum but that it may establish a friendship year proof, to establish claim to the His reply so kind relieved her mind, And P. D. Q. was he, She hardly harked to the terse rethey came:
"One million, F. O. B."
But her pa said: "Well, I will like
h-l!" the actual results were unknown to enrolled on our circulation books, anyone. There was enthusiasm, of Thanks to Judges. course, but no possible chance for

prize winners. And this hugh total in this work, does not recoll a is but a fragment of the entire num- paign where the ballots were totaled ber credited by winners of lesser and canvassed so expeditiously.

Although the awards offered by dates who made the contest a success the Herald were numerous and val- and to all who by a subscription enable, even the goodly list of winners couraged the workers. leaves many ambitions and hardorking candidates without than "honorable mention." But this inevitable in the sature of such affoirs. All cannot be winners in ally The more liberal the reward. the greater becomes the competition The winners of the prizes in this contest have not only gained large rebasi ample proof of the loyalty of their friends. That counts for much. Every contestant in the list, no matreceive a prize, but as competition is the life of any venture, this condition ust necessarily exist. There must losers as well as winners. And the clientele of the Herold is just as

splendid in defeat as victory. The successful candidates are entitled to congratulations. They have worked hard; and they have their reward. The Herald congratulates them heartily and sincerely. It was a fair fight and no favors asked or ought. In that spirit the battle was begun used proceeded to the end.

The relations between the manage and the candidates has been most consenial, cordial and harmon-

The result was a splendid success

manifested over the results.

The Herald wishes to express its

caurse, but no possible chance for Especially does the Herald thank any advantage not gained by hard Miss Retty W. Wiles, W. A. McMillen and Actual merit.

The enormous total of the ballot lent and satisfactory management of ast in the campaign may be judged the snal count. The contest manager the numbers credited to the grand during a number of years' experience

Thanks to everyone.

Bet our sidewalk'd be covered With the 'rithmetic I've done; Bet I've writ a million answers Since the time I first begun

Allus lots and lots more comin'. Oh, the work I gotta do! Wonder why in thunderation This old work ain't never through! Wonder if there's many others

Adds up just the same as me? jeat guess and keep on guessin'. Hopin' one and one makes three.

Wonder, if I keep on learnin'.
I'll be just the stupid fool
Teacher seems to like to call me
When he keeps me after school?

Wonder, in that place called Heaven, Winder, in that piace carried in they give you sums to do? Any place'd seem 'most Heaven Where a felier's work was through!
